Sir,

Cycle Allowance to the Octroi Manegar in Chamarajanagar Municipality

In forwarding herewith correspondence ending with No H C 38 of 41-42, dated the 28th June 1942, from the President, Chamarajangar Town Municipality on the above subject, I have the honour to state that this is an extensive commercial town with a Railway station at a distance of a mile and half from the town There is no Chief Officer working in this Municipality The Octroi Staff consists of a Manegar and twelve peons There are five Gates in the town and the Manegar has to supervise the work of the peons under the direction of the President and the Vice President and see that there is no leakage of revenue under this head The present Manegar who was in receipt of a cycle allowance while he was working at Krishnarajangar has been urging for the grant of a Cycle Allowance, here also eversince he joined duty at Chamarajanagar in September 1941 The Municipal Council have resolved to pay him an allowance of Rs 5/- p m , since the date of his joining duty at Chamarajangar

A copy of the resolution is enclosed for reference. The matter was brought to my notice at the time of inspection of this municipality on the 11th ultimo. The Manegar has to cover a long distance every day and it is necessary for him to maintain a cycle for the efficient discharge of his duties. There has been appreciable increase in the income under Octroi ever-since he joined duty here as per details noted in the margin. In the circumstances, I recommend that sanction of Government may kindly be accorded to the resolution of the Municipal Council.
